

## Approved DTA Software Vendors

The following businesses provide Dealer Title Application (DTA) software to automobile dealers in Texas. Changes to RTS sometimes require that DTA software changes be made by these vendors and used by the dealers when they provide title application data to the TACs. The chart below shows which vendors have tested/updated their software to reflect changes made in RTS. The vendors are then responsible for updating the dealers.

| Company  | RTS 6.7<br>Release<br>5/2011 | RTS 6.8<br>Release<br>9/2011 | RTS 6.9<br>Release<br>2/13/12 | RTS 7.0<br>Release<br>9/24/12 | RTS 7.1<br>Release<br>2/18/13 | Comments   | RTS 7.2.0<br>Tonnage -<br>Status  |
|--|------------------------------|------------------------------|-------------------------------|-------------------------------|-------------------------------|--|---|
